Company Business Activities

Since 2000 we are the correspondents of the Albini & Pitigliani Group in Romania. Thus, we benefit from all the advantages of a network with global coverage, with know-how and experience in expeditions over 75 years! Ma.Ra Logistics Quality provides road transport, sea freight and air freight services, for import and export. Our motto is to be a reliable partner both for the current customers and for potential customers so that by quality and promptness we make our customers loyal and consolidate our long-term business relations.

Ma.Ra Logistics organizes transport for various companies and the most frequently required service is the transport of general goods. General goods represents a wide range of goods and products such as: textiles and GOH, commodities, electronics, High-Tech, personal care products, household appliances, furniture, ceramics/tiles, mechanical products and spare parts for automotive industry etc.

Ma.Ra Logistics Quality is a leading freight forwarder in the industry of general goods. This is mainly due to the network with global coverage it benefits from as part of the Italian Group Albini & Pitigliani, network which allows the company customers to transport products almost anywhere in the world.

Thus, we make available to our customers:

- Road lines of direct traffic with daily departures from and to multiple destinations from Europe and Romania.
- Road transport of goods in less than truckload LTL and FTL (full truckload).
- Shipping containers (FCL full truckload or less than truckload LCL).
